HTML, JavaScript  
Paint Shop Pro  
Adobe Illustrator  
MFC – Microsoft Foundation Classes  
JSP & Java Platform (formerly J2EE)  
Web-Services (SOAP, UDDI)

**Hobbies and interests**

My main interest lies in the field of AI and computer games. I'm currently working on quite a few AI projects as well as 2 computer game projects. These activities take up almost all of my time and attention so that I have very little left for my other hobbies. I also spend my time on a charitable arts project called Artenade, you can check it out at [www.artenade.com](http://www.artenade.com).
